2014 Baltimore Sculpture Project – Patterson Park

DEADLINE: Friday, June 13, 2014

The Baltimore Sculpture Project, an outdoor sculpture exhibition that engages sites around the city, is currently open for submissions for approximately three sculptures to be added near the intersection of East Pratt Street and South Ellwood Avenue in Patterson Park. This exhibition will open in September 2014, and run through August 2016.

Submissions will be reviewed by an independent panel of jurors that includes community stakeholders.

The Baltimore Sculpture Project is a program of the Baltimore Office of Promotion & The Arts (BOPA); this year's exhibition is produced in partnership with the Southeast Community Development Corporation (SECDC), the Highlandtown Arts and Entertainment District, the Highlandtown Community Association and the Friends of Patterson Park. The exhibition is funded by the Meyerhoff Family Fund and Baltimore Community Foundation.

Guidelines

- 1.** Artists may submit proposals for new works or the placement of existing works.
- 2.** Selected artists will be provided stipends of \$2,500 to \$3,000. Stipends are for construction and transport of the work. BOPA will provide pads for sculptures where applicable. Onsite installation equipment and labor may be provided in addition to stipend. Stipends and other support will be negotiated after proposals have been selected.
- 3.** All proposed work should be designed to withstand an outdoor, high-traffic unmonitored environment with very limited maintenance for the duration of the exhibition. Artists should take into consideration the possibility of severe adverse weather conditions, and the safety of the audience.
- 4.** If an installed work becomes dangerous or difficult to maintain, BOPA reserves the right to remove it before the end of the exhibition.
- 5.** Works included in the exhibition will not be insured for any damages that may occur on site.
- 6.** BOPA, the SECDC, Meyerhoff Family Fund, Baltimore Community Foundation and the Friends of Patterson Park reserve the right to reproduce images of selected artwork for printed or internet publicity, catalogue, map or marketing purposes.
- 7.** Selected artists will be asked to be present at the exhibition opening reception and may be asked to make a brief presentation to the public.
